## HAN International Intro

### A WARM WELCOME!

Welcome to HAN University of Applied Sciences on behalf of the **International Office**. Our goal? Assuring a smooth transition to life and study in the Netherlands. This newsletter provides you with some important pre-arrival information and the upcoming online and offline introduction activities. So read on and read carefully!

## FUN FACTS

### DO YOU KNOW...

HAN University has **campuses in 2 cities, namely Arnhem and Nijmegen?** Most courses in (International) Business, Automotive, Communication & Information Technology, Built Environment and Engineering Studies are taught at HAN's **Arnhem campus**. The **HAN Nijmegen campus** hosts courses in Life Sciences, Chemistry, Education, and Health & Social Studies.

## INTRODUCTION

### HAN INTERNATIONAL INTRO

The **HAN International Intro** - the orientation for new international students at HAN - will take place from 22 - 26 August. And we're planning on making it a special and unforgettable one for YOU. Check our HAN International Intro webpage for more information.

**INTERNATIONAL OFFICE**  
**INTERNATIONAL  
WELCOME DAY**

The HAN International Office will organize the International Welcome Day as part of the International Intro 2022 where you can meet our international student associations and other international students from different study programs in person. For the International Welcome Day you do not need to sign up, everyone is welcome!

The rest of the international introduction will be organized by your degree or exchange program. Check our HAN International Introduction webpage for your introduction program. Kindly note that it is in most cases required to register for the orientation of your degree program and to pay a participation fee. Sometimes there might be a registration deadline in place. So...if you do not want to miss anything, make sure to register right away.

## ONLINE ACTIVITY #1 INSTAGRAM

In July, we'll start with our online activities. Especially for you, we made a dedicated Instagram page! All content will be saved, so that you can always watch it (again) in your own time. We will present informational and instructional videos, but also fun videos, stories and posts made by our Introduction Buddies.

Our Introduction Buddies are HAN students who will help you to get to know HAN, your academic program and your surroundings on and off campus. So, follow us now on Instagram and don't miss out!

## ONLINE ACTIVITY #2 WEBPAGE & NEWSLETTERS

Not able to join us on Instagram? Don't worry! We'll also put the video content on our [webpage](#) and send you newsletters via email with a recap of all the information we share with you on Instagram. So, keep an eye on your

personal mailbox, sit back and wait for our newsletters to show up.

## REGISTRATION CITY HALL

If your stay in the Netherlands exceeds 4 months, it is mandatory to register as a new citizen with the municipality where you're going to live. **Soon you'll receive more information on how to do so.**

Also keep an eye on our [Instagram page](#) and [webpage](#).

## RULES FOR ENTERING THE NETHERLANDS

The Government of the Netherlands has gathered all relevant information with regards to entering the Netherlands on their website, including a link to an overview of the rules that apply to you before you travel to the Netherlands.

**Website of the Dutch government** →

## SOCIALS

Join HAN International Office on **social media!**

On our [HAN Incoming International Students Facebook group](#) you'll find news and fun facts during your stay in the Netherlands and at HAN University of Applied Sciences. And join the main [HAN International Office Instagram page](#) while you're at it! 😊 This page is full of interesting cultural and social content.

That's it for now... Sit back, check our [HAN International Intro Instagram page](#) and/or our [webpage](#) and wait for our next mail to show up in your mailbox (to be expected mid July)!

Best regards and see you soon,

**HAN International Office**
