Code	AMMX79
Title	Empowerment
Type	
Year of Study	Main Phased
Semester	Spring
ECTS	30
Learning outcomes	• Work creatively with services users and their network. • Work in an innovative and creative way. • Design a project proposal and justify how you designed the process with the group and the people around them and what this contributed to the empowerment of this group. • Make use of practical insights and relevant literature related to social quality. • Reflect and account for your actions. • Describe the value of (international) social work. • Substantiate different theoretical approaches and have knowledge of various relevant scientific international perspectives.
Name of Lecturer	Sanne van den Heuvel
Mode of delivery	Face-to-face
Prerequisites and co-requisites	• You're studying social work or a related discipline • You've completed 1 year of your bachelor degree program • English level at least B1

Course content	This program is part of the Bachelor degree International Social Work. You learn about all aspects of the profession. Theoretical insights are illustrated with concrete examples, your creativity and ability to think out of the box is challenged and you will become more experienced in using empowerment techniques in conversations. You reflect on the empowerment philosophy and develop a vision on the profession of social work. Throughout the semester you will be working on a real assignment from an organization. Using design thinking you will be working on a proposal for improvement. This exchange program offers 2 course packages. Choose one. It's not possible to combine courses from both packages. Course package 1 ▪ Empowerment (10 EC) ▪ Professional Development 2.2 (7.5 EC) • Specialization in Creative Skills 2 (2.5 EC) -> Drama & Dance or Word, Art & Music • Skills and Methods: Strengthening interviewing (5 EC) • Theoretical approaches: Psychology (2,5 EC) • Theoretical approaches: Sociology (2,5 EC) Course package 2 • Empowerment (10 EC) • Professional Development 2.2 (7.5 EC) • Specialization in Creative Skills 2 (2.5 EC) -> Visual storytelling or Sports & Experience • Skills and Methods: Motivational interviewing (5 EC) • Theoretical approaches: Law (Human rights) (2,5 EC) • Theoretical approaches: Philosophy (2,5 EC) Website Empowerment
