

WINTER SCHOOL

EUROPEAN CULTURE, BUSINESS & ENTREPRENEURSHIP

HAN INTERNATIONAL SCHOOL OF BUSINESS

ARNHEM, THE NETHERLANDS

COURSE DATES: 3 WEEKS IN JANUARY

ABOUT THE WINTER SCHOOL

During this 3-week program, you get to know Dutch and other European cultures. You also learn about European business policies and practices. And develop the personal competences you need to do business in Europe.

Classes for the Winter School cover various topics. Business strategy development and entrepreneurship. Business processes and budgeting. Personal branding and creative thinking. Along with Dutch culture and history. You also participate in interactive workshops on skills and personal development. Your ongoing assignment throughout the program is "The Quest". A group research assignment on a specific topic.

Team-building exercises, company visits, cultural excursions and guest lectures complete the program. You're free to make your own plans for sight-seeing or weekend travel to other parts of the Netherlands and Europe .

Good news: the entire Winter School is taught in English!

HAN UNIVERSITY OF APPLIED SCIENCES

is situated in the eastern part of the Netherlands, with campuses in the cities of Arnhem and Nijmegen. Just a few kilometers from the German border. But still within easy reach of Amsterdam, London, Paris and Berlin. The Netherlands is truly at the heart of Europe!

HAN UNIVERSITY
OF APPLIED SCIENCES

CITY OF ARNHEM

HAN International School of Business is situated on our Arnhem campus. The city of Arnhem offers a variety of eye-catching attractions. From fashion to history. Museums to pubs. Concert halls to nightclubs. Arnhem is located at the epicenter of the province with lovely green surroundings. The Veluwe national park on one side. The lush floodplain area on the other.

DURING THE 3 WEEK WINTER SCHOOL YOU WILL:

- receive an introduction to various specific aspects of European and Dutch culture and history;
- learn about the workings and achievements of the European economy;
- study various aspects of the design and improvement of business processes;
- discover that people in different European countries behave in different ways;
- work on your personal competences and skills in doing business;
- work together in team building exercises;
- gain good insight in the various forms of entrepreneurship;
- apply all your knowledge and experience directly to real life cases and 'The Quest', your group research project;
- visit local companies and entrepreneurs
- make new friends from all over the world!
