HAN UNIVERSITY
OF APPLIED SCIENCES

ABOUT THE SUMMER SCHOOL

Broaden your horizon with a summer course in an inspiring international environment!

HAN University of Applied Sciences offers 13 one-week summer courses in the fields of health, social studies, sports, education and built environment. Join us for 1, 2, 3 or 4 weeks of hands-on learning and fun. Each course is worth 2 ECTS credits and includes a field trip.

The courses in this Summer School are open to all undergraduate students from our partner universities. You don't necessarily have to be studying in the field of health, social studies, sports, built environment or education to join us. In fact, that is what makes this Summer School so special. The opportunity to step into unknown territory: a truly rewarding experience!

Social activities? We've got that covered too. You can join in with lots of fun, social and cultural activities. This way you learn more about the Netherlands and Dutch culture while you're here!

DURING THIS SUMMER SCHOOL YOU

WILL:

- Discover the Dutch approach to healthcare, education and sports-related issues.
- Visit local institutions and organizations.
- Experience our interactive teaching style.
- Attend workshops led by inspiring and experienced lecturers.
- Gain insight into related fields of interest.
- Learn about Dutch culture and society.
- Experience an enjoyable and inspiring combination of study and leisure activities.
- Make new friends from all around the world!

You choose one course per week and we will make sure you have an unforgettable stay in Nijmegen and the Netherlands!

CREDITS

Complete our 4 weeks of Summer School, including preparation and assignments, and earn 8 ECTS (4 US credits) in total. Or join us for just 1 or 2 courses and earn 2 ECTS (1 US credit) per week.

LOCATION

ACCOMMODATION

You will stay at the Zeven Heuvelen Resort in Groesbeek. Groesbeek is a village just outside Nijmegen with a direct bus connection to HAN campus. Each accommodation has shared bedrooms with separate beds. You share the living room, bathroom and kitchen. The kitchen is fully equipped so you can prepare your own meals. The accommodation has free WiFi and bed linen is included. You can use the sports and wellness facilities of the resort and use their washer and dryer for a small fee.

CITY

Nijmegen is the oldest city of the Netherlands with a city center full of important historical locations. And it's not just a rich cultural history that Nijmegen has to offer. A large number of students, numerous events and festivals, unique hot spots and cozy restaurants all add up to an unprecedented liveliness in our city. Just put your feet in the sand at our city beach next to the river Waal, or relax at one of the numerous sidewalk cafes.

COUNTRY

HAN University of Applied Sciences is situated in the eastern part of the Netherlands. It's just a few kilometers from the German border, and within easy distance from Amsterdam, London, Paris, Brussels and Berlin. The Netherlands is truly at the heart of Europe! The east of the country offers a typical Dutch landscape with charming scenery like wide rivers, bridges and dikes. The Netherlands is known for its cultural diversity and laid-back cosmopolitan lifestyle.

This Summer School is an alluring opportunity for summer study. You will experience interactive learning in small groups of international students. After the lessons, there are opportunities to connect with teachers and students from all over the world. Social activities and trips made me see how beautiful the Netherlands is.
