

SUMMER COURSE

GLOBAL CITIZENSHIP EDUCATION

OPENING WINDOWS TO THE WORLD AND
TRANSFORMING SCHOOLS INTO TRAINING
GROUNDS FOR GLOBAL UNDERSTANDING

23 - 27 JUNE 2025

DESCRIPTION

In today's world, our local lives are increasingly influenced by global connections. As global citizens, we are more connected than ever to people across every continent. Our world has become a true global village. Schools serve as the perfect environment for primary and secondary school pupils to acquire the knowledge and skills needed to understand our complex world and actively contribute to building a sustainable future.

LEARNING OUTCOMES

After completing this course, you will be able to:

Learning outcome 1

Gain a general understanding of global citizenship education (GCE) and key themes essential for teaching primary and secondary school pupils global citizenship skills.

Criteria

- Correct identification and explanation of the key concepts of GCE

Activities

Classes about

- Teaching global citizenship - learning for life
- Identity and diversity

HAN UNIVERSITY
OF APPLIED SCIENCES

- How not to be ignorant about the world
- Question-driven learning
- Children's rights
- Dutch culture and society
- Book spine poem (importance of language in intercultural communication)
- Sustainability
- Democracy and fundamental values

Learning outcome 2

Develop and implement learning activities and methods to teach pupils about one of the GCE themes that is important in your home country and/or to you personally. The activities will be rooted in the development of knowledge, skills and attitudes.

Criteria

- The design has a strong connection with the GCE window(s) and is based on accurate GCE knowledge
- The GCE goals are visible
- The design and implementation align with the age group of the pupils
- The design encourages pupils to form an opinion about the subject

Activities

- During the lessons, you will be given small assignments that lead to a GCE lesson design
- Interactive classes
- Workshops
- Mentoring

EXAM FORMAT

Presentation and written assignment.

STUDY LOAD

40 hours: Contact hours

12 hours: Preparation and self-study

4 hours: Field trip

PREPARATION

Study theory on Global Citizenship.

FIELD TRIP

- On-site school visit

CREDITS

If you successfully complete this course, including preparation and assignments, you earn 2 ECTS credits.

ADMISSION REQUIREMENTS

- You're an undergraduate student from a partner university. We also accept master students.
- Students aspiring to work in education who seek to acquire the knowledge and skills needed to empower their students or pupils to become global citizens.
- If you are not a native speaker of English, your English proficiency level is at least B2 (CEFR), IELTS 6.0 or TOEFL iBT 80.
